

ACTRA NEXT

RECRUITMENT SUPPORT

ACTRA NEXT is more than 18 years a trustful Recruitment partner in the high tech industry. Initially started as external supplier for Philips EMEA Recruitment Services. In a later phase we also worked for companies like NXP, Thermo Fisher, Nexperia, IMEC.

AN recruiters are recruiters with a proven track-record in the **end-to-end recruitment** process; from intake meeting up to offer closing. Strong in stakeholder management and an ambassador for our customer towards the candidates.

AN recruiters challenge the hiring managers to get a strong and clear job description, attractive for the candidates.

AN Recruitment Support, services are:

- Inhouse corporate recruitment at customer site;
- Recruitment Support for Mergers & Acquisitions;
- Candidate sourcing;
- Building Talent Communities;
- Recruitment Process Outsourcing;
- Recruitment Management and building recruitment departments incl. way of working and policies;
- Interview training to hiring managers;
- Coaching recruiters on the job;
